Supporting Sustainable Transportation

City of Chicago is a national leader in applying new technologies and policies to support the City's sustainability goals

- 20+ years partnering with U.S. Dept of Energy's Clean Cities Program
- Sustainable Chicago & CDOT's Chicago Forward
- Regional Alternative Fuel Deployment Projects

“The City of Chicago is committed to an environment in which energy efficient vehicles are the norm, not the exception...”

- Mayor Rahm Emanuel

Introduction – Management Team

*Samantha Bingham, CDOT

*Tom Brotherton, CALSTART

*Carl Lisek, Legacy Environmental
